

JANUARY 2020

[DABI Welcomes 20 New Members](#)

The Dana Alliance (DABI) elected 20 new members in 2019, bringing total membership to 620 members in 40 countries across five continents: Asia, Australia, Europe, North America, and South America.

[Dana Foundation, Dana Alliance and BAW Introduce New Logos and Websites](#)

We have a new look! Check out logos and the Dana Foundation website at dana.org; Dana Alliance sections at dana.org/dana-alliances and Brain Awareness Week at brainawareness.org.

[Annual Dana Alliance Reception](#)

A record number of Dana Alliance members and special guests attended DABI's 26th reception held during the 2019 Society for Neuroscience Annual meeting in Chicago. [See photos](#), enter password "dabi."

[Martha Farah Gives Keynote Address at INS Annual Meeting](#)

Alliance member **Martha Farah** gave the Fred Kavli Distinguished Neuroethics Lecture on "Socioeconomic status and brain development: from science to policy" at the International Neuroethics Society's Annual Meeting. [Read more here](#).

[Lecture at Secret Science Club by Nim Tottenham](#)

The Dana Foundation Brain Lecture at the Secret Science Club, NY was presented by DABI member **Nim Tottenham**. [Watch video](#) of her talk on "Emotional Brain Development & the Importance of Early Experience."

[SfN Science Educator](#)

Supported by the Dana Foundation, the SfN Science Educator Award honors neuroscientists who have made significant contributions to educating the public about neuroscience. [Read interview](#) with the 2019 award recipient Cristian Zaelzer-Perez, PhD.

[In Memoriam: Bruce S. McEwen \(1938-2020\)](#)

We are deeply saddened by the loss of **Bruce McEwen**, a founding member of the Dana Alliance and a scientific adviser to the Dana Foundation. He was a devoted champion of neuroscience outreach and widely recognized as one of the foremost researchers on the effects of stress and sex hormones on the brain.
